

Workshop on Peritoneal Dialysis (CAPD & APD)

Venue: Classroom No. 5, MGMSBS

Date: 4th September 2025

Organized by: Department of Dialysis Technology, MGMSBS

MITRA Industries conducted a one-day workshop on Peritoneal Dialysis, focusing on Continuous Ambulatory Peritoneal Dialysis (CAPD) and Automated Peritoneal Dialysis (APD) for B.Sc. and M.Sc. Dialysis students, interns, and staff.

The session included lectures, hands-on demonstrations, and interactive Q&A, allowing participants to gain practical experience and deeper understanding.

The expert's clarity, passion, and engagement made the workshop highly informative and effective, enhancing students' technical knowledge and clinical skills in dialysis care.
