What is child sexual abuse?

POCSO ACT defines a child as a person under the age of 18 year.

World Health Organization (WHO) defines child sexual abuse as, 'inappropriate sexual behavior with a child' and 'involving a child in sexual activity that he or she doesn't fully comprehend, is unable to give informed consent to, or that violates the laws and social taboos of society.'

22:02 01-11-2020

Before concluding session Directors of Both campuses Dr Mansee Thakur and Dr Rajesh Dase addressed all students. Dr Mansee Thakur has expressed thanks to all Patrons, Speakers. In her talk she delivered message about importance and inculcation of human values in medical profession.

Address by Dr. Mansee Thakur, Director MGMSBS, Navi Mumbai

Address by Dr. Rajesh Dase, Principal MGMSBS, Aurangabad.

Dr Rajesh Dase has guided and motivate students about responsibilities in allied health care sector

Vote of thanks by Ms.Minal Kanse

Ms Minal Kanse, Tutor ,MGMSBS, Navi Mumbai delivered vote of thanks to all speakers, guests, faculties , students and parents. All students were motivated by day speakers and guest's speech. Day was concluded on positive note.

The second day session was coordinated by Mr.Rohit gupta it has been started at 11 a.m.

Our very first Elite speaker Dr. Saloni Desai , Incharge of MHA students and with experience of 25+ years as administrator.

Her Topic ‘Developing Self Awareness’ was a great start to the 2nd day of the induction program.

Dr Saloni explained about how self-awareness can change the way we perceive life and help us grow. she also explained students how one can ask themselves questions on daily basis to understand how much one is growing as a person. Dr. saloni gave everyone some amazing questions to think about and to improve oneself.

The second speaker of the day Dr. Archana Mishra has 13 years of experience in administration and Training which includes Consultation, Research and Mentoring. Her topic ‘Setting goals for life and career in Allied Health Sciences’ gave students a broad view how advanced allied health science. She explained how there are so many career opportunities for one and due to the pandemic, the demand of Health care workers is increased rapidly. The importance of Health care workers is known by the world. Government of India has started schemes and is planning to increase public health spending to 2.5% of the country’s GDP, which will open numerous opportunities for health care workers as well it will benefit the citizens of India.

Dr.Archana Mishra delivered talk on goal setting

**Mrs. Prattusha Chaatterjee,
Senior Psychotherapist with Father
Agnel Multi Purpose School, Junior
college and Fr. Conceicao Rodrigues
Institute of Technology**

- Currently working as a Senior Psychotherapist with Father Agnel Multi Purpose School, Junior college and Fr. Conceicao Rodrigues Institute of Technology
- Integrative counselor/master practitioner at NLP/Practitioner of Cognitive psychotherapy
- She has an expertise in providing psychotherapy to clients of all age groups with various psychological, emotional, social, behavioral & adjustment disorders.
- Skilled in psychometric testing for screening, assessing and evaluating psychological conditions.
- Experienced in coordinating between team members.
- Proficient in creating and delivering workshops, seminars and training programs.

MGM School of Biomedical Sciences, Navi
Mumbai, Aurangabad

The third and final speaker was Mrs. Prattusha Chaatterjee, she is a psychotherapist and practising psychotherapy with many different organisations. She is currently pursuing her PHD. 'personality development and communication skills' was her topic. The speaker mentioned that the crucial parts of communication skills are listening and attention. She discussed understanding oneself, transactional analysis and etiquette. In this session there were lots of interactions, because as Mrs. Prattusha said interaction is utmost important to improve communication skills and develop our personality in better ways. Because at the end of the day it's all about how one is improving themselves.

The induction was ended with a vote of thanks by Mr. Rohit Gupta to all the speakers.

India ranks on top in cybercrime. There are a lot of methods by which a cybercrime can be done like by using your mobile, cct, social media platforms, etc. The day 3 of the induction program included a talk by Mr. Sandeep Gadiya who is a cybercrime data expert and has worked with the Maharashtra police to train as well as solve a lot of cases. The speaker touched on a lot of topics ranging from credit card scams to mobile scams etc. Mr. Sandeep also gave the audience tips on how to identify phishing and also how to avoid common mistakes while using the online platforms for financial transactions. He also guided the listeners how to contact the cyber crime cell or cyber police immediately in case of a fraud or report online on www.cybercrime.gov.in. The students as well as the teachers who had joined in for the talk asked a lot of queries and appreciated the talk.

Mr. Sandeep Gadiya
Cyber crime Forensic Expert,
Cyber Crime Data Expert

- Working closely with Police Departments across India.
- Trained more than 2000 Officers & Staff at Cyber Lab, Police Headquarter, Pune
- Conducted training for IAS, IPS & IRS Officers.
- Provided Technical assistance in Cyber Crime Cases such as Data Theft, Financial Frauds(Credit and Debit Card Frauds, Internet Banking related Frauds), Anti- National / Terrorist Activities and others
- Helped Pune Police in Drafting Cyber Crime Investigation - Best Practices Guide for Cyber Crime Investigation.
- Assisting Cyber Crime Cell, Pune & all the Police Station of Pune Police Commissionerate.
- Developed state of the art Cyber Lab (Pune Police & DSCI).
- Won many awards like "Yuva samaj ratna, young entrepreneur, Survadatta award.

The image is a screenshot of a Zoom meeting. The main content is a presentation slide with the title "Trends of Cyber Frauds during Covid19". The slide lists several types of cyber frauds:

- Fraud during while making payment for online Services, Product – Olx , Justdial
- Fraudulent Paytm KYC Update – Quick Support App
- Avail RBI Loan Moratorium
- Emails offering "Free Covid19 Test" – Chinese Cyber Attack
- Emails offering Free Immunity Booster
- Ransomware attacks –
- Sextortion through Social Networks & Emails
- Job Offer Scams

On the right side of the screen, there is a video call interface. It shows three video thumbnails: one at the top with two people, one in the middle with a man in a blue shirt, and one at the bottom which is a dark rectangle with the name "Dr. Ran Kumar S...". Below the thumbnails, the name "Eshan Arvika" is visible. At the bottom of the screen, there is a Zoom control bar with icons for mute, video, chat, and other functions.

Mr.Sandeep Gadiya delivered a talk on cyber crime

Ms. Saloni Godbole

Co founder and director at Occamy
Bioscience Pvt.Ltd.

- She has developed an economic process for manufacture of bio surfactants to be used by Sasmira textiles, Worli.

Campus protocol by Dr.Priyanka Pareek

Universal precaution measures by Dr.Sameer pachpute

Virtual campus tour by Mr.Rohit Gupta

Overall it was really a great experience for institute to conduct an online induction program for six days as per UGC norms and unique experience for students too, to attend the virtual induction program. We would like to give thanks to the Director MGM SBS and other higher authorities to give us guidance and support to make the event successful.

Feedback regarding induction given by UG & PG students

Demography of Students

In the induction program 73% students were from Navi Mumbai followed by Aurangabad students (27%).

UG and PG Students

One hundred and twenty eight students were UG students and 37 were enrolled in PG.

Location wise PG & UG Attendees

90 UG students from Navi Mumbai and 38 from Aurangabad. Thirty one PG students were from Navi Mumbai followed by six FROM Aurangabad.

From Navi Mumbai total 111 students have attended all sessions and forty students have attended from Aurangabad.

There were nine categories of sessions, from them the most liked sessions were cyber crime and personality development session (liked by 66 students) followed by heartfulness, goal setting and general session on campus protocol and universal safety norms.
